Our Opportunity

We are seeking to appoint highly motivated and enthusiastic Teaching Assistant to join a team of staff dedicated to enriching the lives of the children we serve, who are aged 3 to 18 with a range of physical and sensory needs including PMLD and ASC.

Whether you are an experienced Teaching Assistant or have the skills, experience and knowledge detailed in the job profile from your work in other settings, you will require a real drive to make a difference in children's lives.

Our Teaching Assistants work as a valued part of the class team to support the physical and emotional wellbeing of our pupils. The role is varied, active, and above all, rewarding. You will discover a huge range of training opportunities relating to educational, medical, moving and handling and bespoke interventions that will develop you as a professional as well as a person.

Knowledge of SEN will be advantageous and you must be able to respond to the emotional, social and mental health needs of our children and young people. You will be required to ensure the safety of our children and young people and facilitate their access to learning by responding to individual needs, which may include personal care and hygiene needs such as toileting and changing.

Via your excellent interpersonal skills, you will have the opportunity to make judgements on the attainment and progress of our students and be able to help them celebrate success.

You will be working as part of a team supporting whole class lessons, group work and working one to one with pupils. You will be part of a committed staff team who are motivated every day by improving the life chances of our children and young people.

You will need to demonstrate that you are:

- Passionate and enthusiastic about making a difference
