“Learning together, to be the best we can be”

1. Scope

- 1.1. This policy relates to all schools and settings across Nexus MAT. It may be augmented by local policies in each school that reflect their specific approach and processes in managing attendance.

2. Aim

- 2.1. Nexus Multi Academy Trust aims for all of its academies to have an environment which enables and encourages all members of school communities to fulfil the Trust vision of “learning together; to be the best we can be”.
- 2.2. Promoting good school attendance is everyone’s business and the foundation of securing good attendance is intertwined with establishing a strong curriculum, culture of positive behaviour and support for mental health and wellbeing. The culture within all Nexus schools should be one where children want to be included, and are keen and ready to learn and good attendance is an integral part of this ethos.
- 2.3. For children and young people to reach their full potential it is vital that they attend and be on time every day the school is open, unless the reason for the absence is unavoidable. Any absence affects the pattern of a child or young person’s schooling and regular absence will seriously affect their learning.
- 2.4. All children have a right to an education but fulfilling this right for children with SEND may be more complex. The attendance ambition for children with SEND must be the same for any other child but additional support and reasonable adjustments may be needed to ensure good attendance is achieved.
- 2.5. We recognise that for some of our children and young people with significant medical needs, it can be very challenging to secure attendance rates above 90%. However, our target is to achieve better than this because we know that good attendance is the key to successful learning. We work very closely with families whose child has complex medical needs to ensure that learning continues, as appropriate. Children with complex medical needs will be reported by exception in order to acknowledge their attempts to comply with regular attendance.
- 2.6. As a continuous cycle, school leaders and governors monitor absences and punctuality to show where improvements need and can be made.

3. Legal

- 3.1. Part 6 of the 1996 Education Act states that parents/carers must ensure that children and young people of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special needs they may have, either by regular attendance at school or otherwise.
- 3.2. For pupils registered at a school, this means that pupils must attend regularly and punctually; failure to do so may result in their parents/carers committing a criminal offence.
- 3.3. A child is of compulsory school age at the beginning of the term following their 5th birthday. A child or young person is no longer compulsory school age on the last Friday in June of the school year in which they reach the age of 16. Although children and young people in Early Years Foundation Stage and Sixth Form are not compulsory school age, Nexus MAT places a high value on the need for good attendance throughout school so will therefore treat absences in these phases the same as compulsory age pupils in terms of register marks and follow up procedures.
- 3.4. Under the Education Act 1996 the Local Authority has a statutory responsibility to ensure that parents/carers secure education for children and young people of compulsory school age and where necessary, use legal enforcement.
- 3.5. The Education (Pupil Registration) (England) Regulations 2006, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.
- 3.6. Data regarding the codes that have been recorded against each pupil's name in the school's attendance register must be shared with the DfE in line with the Education (Information about Individual Pupils) (England) (Amendment) Regulations 2024.
- 3.7. The register must record whether the pupil was:
 - present;
 - absent;
 - present at approved educational activity; or
 - unable to attend due to exceptional circumstances

4. Promoting Good Attendance

4.1. All schools within the Nexus MAT have a responsibility to proactively manage and improve school attendance. This includes working in partnership with parents/carers to remove any barriers which may cause poor attendance.

4.2. Key strategies that schools use include:

- Promoting the importance of good attendance as part of the school's culture and ethos so that children feel a sense of belonging and want to come to school.
- Communicating expectations to parents/carers, making it clear to that they are responsible for ensuring that their child attends school every day.
- Communicating expectations to children through building positive relationships so children feel safe and want to come to school.
- Working with parents/carers and children to identify what the barriers are to attending school and being flexible in the support offered.
- Rigourously monitor patterns and trends in attendance so that poor attendance can be addressed through early intervention.
- Having the 'right people' in place to support children to attend school regularly and ensure that these people receive training to be able to be effective in their role.

4.3. Each school within the Nexus MAT has a named Senior Attendance Champion who takes the lead in promoting the culture of good attendance.

5. Types of Absence

5.1. Every half-day absence from school has to be classified by the school as either 'Authorised' or 'Unauthorised'. This is why information about the cause of any absence is always required.

5.2. Authorised absences are mornings or afternoons away from school for a good reason like illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause. Absence can only be authorised by the school **not** by parents/carers.

5.3. Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been given. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings. This includes:

- Parents/carers keeping their child off school unnecessarily;
- Truancy before or during the school day;
- Absences which have never properly been explained;
- Pupils who arrive at school too late to get a mark;
- Shopping, looking after other children or birthdays;
- Day trips and holidays in term time which have not been agreed;

5.4. If a parent feels their child is too ill to attend school, they can be signposted to the NHS guidance to support them in making the decision to keep their child off school. [Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk)

5.5. For those children and young people who are struggling to attend school full time due to their complex medical needs, school and the parents/carers may discuss reduced hours. When a parent/carer seeks a reduction in hours or days, the school and health professionals will look at the individual child or young person and their needs and work with the parents/carers to provide appropriate education for their child. Where required, the information will be included in the child's EHCP.

6. Registration

6.1. The school day will be published by each academy and include details of when the morning and afternoon sessions start and end and when registers will be taken. Registers are taken by class and monitored by the senior leadership team.

6.2 Morning registration in school is 9.15am. Afternoon registration is 1.15pm. School finishes at 3.30pm

6.2. The register should only be amended where, at the time of registration, the reason for non-attendance was not established. Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made

- The name and position of the person who made the amendment.

6.3. A child can only be deleted from the register as set out in regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. If a child is removed for any other reason, this can be defined as 'off-rolling'.

6.4. When a child is registered at one of the Nexus MAT special schools, they cannot be removed from the register without the consent of the local authority or if refused, without a direction from the Secretary of State.

7. Absence Procedures

7.1. Parents/carers should advise school that their child will be absent by contacting the school office no later than 9.15am on each day of absence. It is the responsibility of the parents/carers to inform school directly. Messages via transport staff, other parents/carers or social media will not be accepted and will be followed up by a phone call. Office staff will then inform class teams that the pupil is absent.

7.2. Nexus MAT schools use a first day response policy, therefore if a pupil does not attend school and no adequate reason has been provided then a telephone call will be made to the parent/carer by office staff. The member of staff making the first day response call will update the school register as necessary.

Wellbeing contact will be made by the school on the third day of absence and also the second week of absence. Well-being contact will then be made on a weekly basis by the more appropriate means, until the child returns to school.

7.3. Parents/carers are expected to keep in contact with school when a pupil is absent for a long period to keep school informed of the situation and any expected return date.

7.4. Parents/carers are requested to make medical and dental appointments outside of the school day wherever possible. Where this is not possible, pupils should attend for part of the day. Parents/carers should contact the office to inform school of such appointments as early as possible. Pupils may only leave school premises if they are accompanied by a parent/carer. Proof of the appointment is required, this could be an appointment card or a letter from hospital.

7.5. Valid reasons for authorised absence include:

- Illness and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Mobile pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision
- Other possible 'exceptional circumstances'
- Study leave

7.6. If a pupil arrives after the registers closes with no prior explanation, then they will receive a late mark. If a pupil has a persistent late record, parents/carers will be asked to meet with the Headteacher and/or a member of the Senior Leadership Team to resolve the problem, but can approach school at any time if there are problems getting pupils to school.

8. Reduced Timetables

8.1 Children of compulsory school age are entitled to a full-time education and reduced timetables are only used in exceptional circumstances such as if:

- It's in the child's best interest to support the reintegration into full time provision.
- There is a specific need of the child, such as a medical condition, which prevents them from attending full-time, and a reduced timetable is part of a reintegration plan.

8.2 Within each Nexus MAT school, Headteachers are responsible for the decision why a reduced timetable is in place and must be able to explain their decision. Any child who is accessing education in a reduced capacity must have a plan which outlines the reasons for the reduction, which also includes any actions to be taken during the period to increase attendance and the dates of the review period. Review periods must be no longer than every two weeks during the period of reduced provision and include a proposed end date.

- 8.3 Making the decision to put a child on a reduced timetable must be discussed and agreed with their parent/carer. During the decision-making process, it needs to be clear what are the school and the parent/carer responsibilities are to support the child and what support the child will receive when in school and what they will be expected to do when they are at home.
- 8.4 Reduced timetables should not be used to manage behaviour or used as a pre-requisite to exclusion or off-rolling.
- 8.5 Reduced timetables should not be used if being on reduced provision will have a significant impact on the child, potentially increasing their risk of harm.
- 8.6 When the child is not in school at the agreed time, their absence should be marked on the register as 'C2', authorised absence.

9. Leave of Absence Taken in Term Time (Holidays)

- 9.1. As of 1st September 2013, The Education (Pupil Registration) (England) Regulations 2006 removed the option for Headteachers to grant leave of absence during the term time in 'special circumstances' of up to ten days in a year. Leave of absence in term time is strongly discouraged. Parents are not automatically allowed to take their child out of school on holiday. Headteachers are now only allowed to authorise any leave of absence when an application has been made in advance and it is felt to be for an exceptional circumstance; the annual family holiday would not be deemed an "exceptional circumstance".
- 9.2. Nexus MAT acknowledges the multi-faith nature of the community and recognises that on some occasions religious festivals may fall outside of school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance.
- 9.3. In-line with Government guidelines, Nexus MAT schools will not authorise absences for holidays in term-time unless there are exceptional reasons. All requests will be considered individually by the Headteacher.
- 9.4. Parents/carers will be required to submit any request for absence in term-time at least 4 weeks before the proposed absence using the 'Request for Leave of Absence' form included in the school's supplementary attendance policy.

- 9.5. Parents/carers will be expected to give a full explanation as to why the leave of absence request is exceptional. A child or young person's previous absence will be considered before a decision is made. School will respond to all requests in writing, however, parents/carers should not automatically expect the request to be authorised. All Nexus academies will usually comply with their local authority procedures for enabling good attendance unless this is stated to be otherwise on the school website.
- 9.6. All requests for leave of absence and the responses will be kept on the pupil's record. If permission to take leave is not granted and a pupil still goes on holiday then the absence will be unauthorised. **This may result in referral to the Local Authority for them to consider issuing a Fixed Penalty Notice fine, per parent per child.** In some cases, parents may be prosecuted for the offence of failure to ensure regular attendance at school. Each Local Authority must set the criteria for issuing a Fixed Penalty Notice. No Nexus school receives any form of financial payment or benefit as a result of a Fixed Penalty Notice being incurred.
- 9.7. Nexus MAT schools recognise that the issuing of FPNs are to be a deterrent to prevent children being taken out of school for holiday's / family trips / special occasions repeatedly in their school career. However, in line with The Education (Penalty Notices) (England) (Amendment) Regulations 2024 guidance, **only two penalty notices can be issued to the same parent in respect of the same child within a three-year rolling period and the second penalty notice will be charged at the rate of £160.** A third penalty notice cannot be issued in the same period but alternative action may be taken by the local authority, which may include prosecution.
- 9.8. The Local Authority can only issue a Penalty Notice in cases of unauthorised absence or where a child - who has been excluded from school - is seen in a public place in the first five days of exclusion.

10. Persistent and Severe Absent Pupils

- 10.1. Where a child misses 10% or more of school, they will be defined as "persistent absence" and schools must identify any barriers to attendance and put in place additional targeted support. Some Local Authorities continue to have an Education Welfare Service whereas other Local Authorities have integrated this function into a wider Early Help offer.

- 10.2. Severely absent pupils, missing 50% or more of school, are likely to need more intensive support and where severe absence is unauthorised, this may be an indicator of neglect and potential safeguarding issues.
- 10.3. Headteachers will work within the parameters of the local procedures for responding to persistent and severe absence and will keep local governing bodies informed of any barriers to effective multi agency working to address these issues.
- 10.4. When a child is identified as persistent or severely absent, an 'Attendance Contract' may be appropriate to target support and expectations to improve attendance; however, a contract may not be appropriate in some instances. The Attendance Contract should be developed with the parent/carer and child (where appropriate) and include their views and outline the support/interventions to be taken. If a parent/carer does not adhere to the 'Attendance Contract' then the school may take further action and refer to the local authority, which may include steps towards prosecution.
- 10.5. When a child or young person stops attending school for 10 days and no contact can be made to establish the child or young person's whereabouts school will complete a (CME) 'Child Missing Education' and submit this to the Local Authority. Prior to this point, the school will take the necessary actions to

assure themselves that a child is safe and secure if they have not attended school, and this may involve referring to children's social care. The child will not be removed from roll until confirmation has been received and the child's information will be added to the Lost Pupil Database.

11. Emotional Based School Avoidance

11.1. Nexus MAT recognises that the Education Act 1996 places a legal duty on all parents/carers to ensure that their child has an education and attends school regularly. If a parent/carer deems that their child is not attending school due to 'ill health', the parent/carer must provide medical evidence to prove this to be the case if the illness is prolonged or the child is persistently absent.

11.2. Emotionally Based School Avoidance (EBSA), also known as School Refusal, School Avoidance or School Reluctance, is a term used to categorise children who do not attend school due to emotional factors or experiences. Increased anxiety can be displayed as significant distress causing extended periods of absence from school, thus impacting on a child's attendance.

11.3. Nexus MAT schools aim to work with families whose children are displaying symptoms of EBSA, as opposed to truancy, so that progress can be made towards the child's successful integration back into school. It is essential that key staff within the school understand the causes of the EBSA through gaining the views of the child, parents and associated professionals and that the feelings and anxieties of the child are acknowledged and any worries expressed are not dismissed.

12. Flexi-schooling

12.1. Flexi-schooling is when a child receives their education through a combination of school attendance and home education - it is not children accessing reduced timetabling. For Nexus MAT schools to consider parent/carers requests for flexi-schooling, if a child has an EHCP, they will need permission at an EHCP review and consider why flexi-schooling is in the best interests of the pupil.

12.2. When considering parent/carer requests for flexi-schooling, the Headteacher must consider fully any existing safeguarding concerns and if accessing flexi-schooling will cause the child to be at risk of harm. The Headteacher and parents/carers must agree the pattern of attendance and who is responsible for the child's safety at all times. Arrangements also need to be made for how the parents/carers and school will keep in contact.

12.3. If a child accesses flexi-schooling, then the Nexus MAT school remains responsible for the child's attendance, progress and attainment, including making arrangements for assessments and entrance for public exams. An agreement will need to be discussed with the parent as to who will meet the cost of exam entries. The Nexus MAT school will be held to account for the performance of any child who is accessing flexi-schooling in the same way they are accountable for children who attend full time.

12.4. When pupils are educated at home you should mark the time as an authorised absence (absence code C) in the usual way. The mark of 'approved off-site activity' should not be used as the school has no supervisory role of the child and is not responsible for the welfare of the child when they are being educated at home.

13. Roles and responsibilities

13.1 All Nexus MAT schools work in partnership with parents/carers to promote good attendance and it is important that causes of absence and removing barriers to attendance. On occasion, this may require wider agency support to work in collaboration with the school and parents/carers.

13.2 Parents/carers should:

- Ensure their child attends school regularly and punctually;
- Contact the school office on 1st day of absence to give a full reason for their child not attending;
- Contact school daily during a pupil's absence to keep staff updated;
- Do not pass on messages to school via transport staff;
- Avoid holidays in term time wherever possible and apply in advance by completing the relevant form;
- Avoid medical and dental appointments in school hours wherever possible and provide evidence for appointments in school time;
- Attend meetings in school;

- Ensure their child goes to bed at a reasonable time;
- Ensure their child is ready for transport in a morning (where applicable);
- Ensure their child comes in to school ready to learn;
- Discuss any issues affecting absence or lateness with school via Senior Leadership Team or Senior Attendance Champion or keyworkers.

13.3. Pupils should:

- Acknowledge behaviour needed out of school e.g. early bedtime;
- Attend school punctually;
- Speak to parents/carers/teacher if issues arise that may have an effect on their school attendance.
- Co-operate and participate in interventions and support offered by the school or other agencies.

13.4. Headteachers should:

- Take the lead in ensuring good attendance is promoted and has a high profile within the school;
- Ensure there are designated staff with day-to-day responsibility for attendance matters;
- Ensure adequate protected time is allocated to discharge these responsibilities;
- Take overall responsibility for ensuring the school conforms to all statutory requirements in respect of attendance;
- Ensure there are designated staff to oversee educational provision for children and young people who are too poorly to attend school (class teacher and Senior Leadership Team).

13.5. Designated Staff, including the Senior Attendance Champion should:

- First day response: Contact parents/carers if an adequate reason for absence has not been provided;
- Input and update the attendance registers;
- Regularly identify, monitor and analyse school attendance and punctuality levels;
- Work with children and young people and parents/carers to remove barriers to regular and punctual attendance;

- Ensure, if appropriate, children and young people who are unable to attend school due to medical reasons have opportunities to access educational activities.

13.6. All staff should:

- Provide a welcoming atmosphere for children and young people and provide a safe learning environment;
- Ensure an appropriate and responsive curriculum;
- Provide a sympathetic response to any pupils' concerns;
- Be aware of factors that can contribute to non-attendance;
- See pupil' attendance as the responsibility of all school staff;
- Participate in training regarding school systems and procedures;
- Be pro-active in providing learning opportunities for children and young people who cannot attend school due to significant medical needs.

13.7. Nexus MAT Board of Trustees should:

- Recognise the importance of school attendance and promote it across the ethos and culture of all schools within the MAT;
- Ensure school leaders fulfil expectations and statutory duties;
- Set high expectations for school leaders when promoting the importance of attendance for all pupils;
- Regularly review attendance data, discuss, and challenge trends, and help school leaders to focus on improvement.

If alternative provision made is attendance at a PRU or a shared exclusion unit at another school, the pupil should be recorded under attendance Code D as the pupil is dually registered at both institutions. In these circumstances, the pupil's registration status as recorded in the school Management Information System (MIS) will need to be changed from Current single registration (C) to Current main (Dual registration) (M). If alternative provision made is attendance at any other provider (agreed with the local authority*), the pupil should be recorded under Code B as the pupil is being educated off site.
